

## PREVIOUS ARTISTS FELLOWSHIP PROGRAM AWARDEES IN THE 2004-05 PERFORMING ARTS TOURING ARTISTS DIRECTORY

The California Arts Council Artists Fellowship Program recognizes and honors the work and careers of California artists who are primary creators in their art form. These grants acknowledge that artists need time to experiment, develop, and create new work. Although the Fellowship Program is currently suspended, throughout previous years the Program has granted fellowships to performing artists, some of whom are on the Performing Arts Touring and Presenting roster as soloists or artistic directors of companies. We congratulate these artists and highlight them here.
